

THE FRIENDS OF ALGONQUIN PARK

For people passionate about Algonquin Park

The Friends of Algonquin Park is an organization dedicated to the enhancement of educational programs in Algonquin Park. The Park captures the hearts and minds of those who visit. Whether it is the pristine lakes and wilderness, the backcountry solitude, the world-class museums, or the camaraderie of a developed campground, there is something here to enrich the spirits of all who experience Ontario's oldest provincial park.

With the commitment of our volunteers, members, donors and partners, The Friends is able to continue to foster an appreciation for Algonquin Park. As we enter into the 4th decade our efforts continue to diversify to meet the needs of Park visitors.

Every year we commit to supporting many new projects that en-

hance Park visitors' appreciation of this special place. The Friends' continued ability to provide meaningful contributions to this magical place is energized by our many supporters who are passionate about Algonquin Park. Thank you!

Because of the commitment of these passionate people we are able to continue to share with visitors all the virtues that make it so unique – ensuring there are future stewards of this amazing place – **Your Algonquin!**

Thank you to our Backcountry Volunteers, PORTICO TIMBER FRAMES and CANADIAN LOG HOME SUPPLY

For one week in September 2015, five ambitious volunteers with The Friends of Algonquin Park donated their time and expertise to restore one of Algonquin Park's historic ranger cabins. Using graciously donated materials from **Canadian Log Home Supply**, the skilled volunteers expertly restored the exterior of the historic Kitty Lake Ranger Cabin to prevent water from deteriorating 100-year-old logs. With the approval of **Ontario Parks**, Wayne, Brad, Vina, Elizabeth and Mike replaced the chinking between the exterior logs, reglazed windows, and painted the exterior trim. Thanks to these generous individuals this cabin will be able to weather the Algonquin Park elements for many years to come.

ALGONQUIN LOGGING MUSEUM

Not just a museum, it's a walking trail too!

Visiting the Logging Museum (km 54.5) is like stepping into Algonquin's Logging past. It is an educational outdoor museum exhibiting the forestry practices of Algonquin from its beginning to present day, all situated chronologically along a short barrier free walking trail, a favourite of all who visit, young and old. Our Logging Museum store, located in the reception building, offers the perfect combination of logging related history books and forest field guides as well as a fabulous selection of woodland themed toys, keepsakes and home décor necessities. Well worth the visit to the East end of the Park along Highway 60.

WAKAMI WAILERS OUTDOOR CONCERT

The always entertaining **Wakami Wailers** are scheduled to perform in Algonquin Park at **Loggers Day on Saturday, July 23** and also at an open air concert on **Sunday, July 24, 2016 at 7:00 pm** at the Outdoor Theatre. The award-winning, Ontario-based group will get your toes tapping through a fun-filled evening of entertaining stories.

This concert is brought to you by The Friends of Algonquin Park as a special event. Admission is a minimum donation of \$2 per person.

REBUILDING THE ALGONQUIN LOGGING MUSEUM HORSE STABLE

The horse stable at the **Algonquin Logging Museum** was initially built using the historic techniques of the 1800s. In more than 23 years since its construction, the horse stable has suffered the same fate as most wooden buildings – water, insects and rot were deteriorating this completely wood building.

This past year, through efforts of **The Friends of Algonquin Park**, with support from the **Algonquin Forestry Authority** and **McRae Lumber Company** and in cooperation with **Ontario Parks**, the original horse stable at the Algonquin Logging Museum has been completely rebuilt. Original plans called for a scoop roof replacement, but deterioration in the quality of the walls and floor made this a larger job.

LOGGING MUSEUM VOLUNTEERS

In 2015, The Friends of Algonquin Park provided a volunteer at the **Logging Museum** from June to October. Thanks to our volunteers, Park visitors had a great visit to the museum. We had a total of 25 volunteers who contributed a total of 108 days and 945 hours of staffing assistance.

Thank you to... Gord Ashcroft, June Ashcroft, Rowan Baader, Lori Beecroft, Kate Cohen, Andrea Coulter, Harvey Cowan, Melissa Drake, Bonnie Engel, Mariska Engels, Ellen Gendreau, Paul Guthrie, Devon Harding, Ally Holmberg, Catherine Killen, Sandra Klos, Mary Lawrence, Ernie Martelle, Frances Mawson, Kyle McNair, Amy Munro, Matthew Nshlem, Roger Powell, Janet Webber and Andrea Zadov

If you are interested in volunteering from **June 18 to October 16, 2016**, please contact Stacey at: volunteer@algonquinpark.on.ca or (613) 637-2828, ext. 239.

In Memory of A DEAR FRIEND

Anastasia Kuzyk shared her passion for nature and the outdoors, especially birds, with everyone who had the privilege of knowing her. Anastasia worked in Algonquin Park with the naturalist program between 1998 and 2001. We were deeply saddened and shocked by the news that she was unexpectedly taken from us on September 22nd, 2015.

The staff of the Algonquin Visitor Centre shares our deepest sympathy with the Kuzyk family.

A SPECIAL THANKS TO...

Thank you to the **Paget family** for completing the Cache Lake Historical Site Exhibit with "The Final Days" panel.

Inspire
Future Generations

Build your legacy of support for Algonquin Park by contributing to The Friends of Algonquin Park.

It is the support from individuals who are passionate about Algonquin Park that enables The Friends of Algonquin Park to continue enhancing research, the development and delivery of educational programs, workshops, special events plus the production of award-winning educational materials.

SIMPLE & EFFECTIVE WAYS YOU CAN SUPPORT YOUR ALGONQUIN PARK:

Make a Donation – A contribution made today is greatly appreciated and very important. Donations can be made in person at either the Visitor Centre, Logging Museum or by mail, telephone or online.

In Honour – Have your donation commemorate an event or person, or celebrate a special occasion in the life of a friend or family member. An acknowledgement card can be sent to the honouree on your behalf.

In Memoriam – Make a gift in memory of a loved one who was especially fond of Algonquin. An acknowledgement card can be sent to the family or friend that you designate.

Become a Member – Purchase an annual membership that shows your dedication to Algonquin while gaining you membership rewards.

Make a Purchase – By shopping at The Friends of Algonquin stores, you are giving back to the Park in two ways. Firstly, you are helping to educate yourself and others about this special place. Secondly, 100% of the proceeds from your purchase stay in the Park and are used to foster an appreciation for Algonquin Park.

Make the Gift of Time – Volunteer to help with the operation of the Algonquin Logging Museum, or the Adopt-a-Trail program. For more details on our volunteer program visit: www.algonquinpark.on.ca/foap/volunteer

Third Party Fundraising – Hold an event in support of The Friends of Algonquin Park. Your event can be almost anything; sell a product or service and direct a portion of the proceeds to support Algonquin Park; throw a party and ask guests to bring a donation in place of a gift; host a recreational event and ask for a donation instead of an entry fee; or develop a donation box at your place of business with donations directed to

The Friends of Algonquin Park. Please note that all third party fundraising events must be approved in advance of the event by The Friends of Algonquin Park. To find out more, visit www.algonquinpark.on.ca/foap/donate/third-party-fundraising.php

Stay Informed

Receive our monthly eNews by signing up at www.algonquinpark.on.ca

These are all things you can do today to show your passion for Algonquin Park and allow us to continue to emulate this passion through our work.

If you recognize the importance of supporting Algonquin through The Friends of Algonquin Park but are unable to make a commitment today, you may wish to consider a planned giving option.

DOUBLE YOUR DONATION

Employee-matching gift programs are corporate giving programs in which the company matches donations made by employees to eligible charitable organizations. Inquire with your employer to see if your support of Algonquin Park can be easily doubled.

Thanks for Your Support!

WHAT IS PLANNED GIVING?

Planned giving allows you to make a gift to Algonquin Park today where the value of the gift is deferred, in whole or in part until a later date, often upon the death of the donor and depending on the type of gift, income tax relief is either realized today or in the future. Of course, talking to your lawyer or financial advisor will help you and your family decide how to best fulfill your legacy to Algonquin Park.

YOUR ALGONQUIN LEGACY GIVING OPTIONS

You can make a difference and ensure your legacy in Algonquin Park by considering these options:

Bequest - This is a gift that you make through your will. It can be for a specific amount, a percentage of your estate or the residual of your estate. Your bequest will symbolize a lasting memorial for you and your family.

Gift of Life Insurance - Life insurance is a way to make a significant gift in the future at an affordable current cost without reducing the value of your estate available to your family. You can either give an existing policy or take out a new policy naming The Friends of Algonquin Park as the beneficiary.

Shares or Securities - This can be established by contributing bonds, stock securities or mutual funds that have appreciated in value since their purchase and avoid capital gains tax.

Registered Assets (RRSPs & RRFs) - A gift of registered assets would enable you to fulfill dual goals of supporting your favourite charity while reducing the amount of taxes that your estate would have to pay. If the RRSP or RRF has The Friends of Algonquin Park as the direct beneficiary, the estate will receive a donation receipt for the entire value of the plan.

Gift of Real Estate - The gift of real estate allows you to give an immediate gift and receive an immediate tax receipt for the fair market value of your property. These gifts include: residences, farms, land and commercial property. Giving a gift of real estate allows you to simplify your estate and give to The Friends of Algonquin Park during your lifetime.

Residual Interest - This type of gift is given by those who plan to donate a property through a will bequest but would like to reduce income tax presently and continue to use and enjoy the property over their lifetime.

Endowment - Your charitable fund would be invested and earnings from your contribution would generate a reliable source of funds, providing a legacy that lasts forever.
