## Trail Users!

- Wear appropriate footwear, and clothing for the time of year.
- Allow enough time to be off trails before dusk.
- Overnight parking at interpretive walking trail parking lots is prohibited.
- Guide booklets are removed from trailhead dispensers from late October to early May (booklets are available year-round during business hours at the East and West Gates and the Visitor Centre, or online).
- Use caution when walking trails; you may encounter downed trees, wet areas, snow, and icy conditions.
- Your safety in Algonquin is ultimately your responsibility.

**Watch for Moose!**  
Your chances of seeing moose along the highway are good (almost guaranteed on May and June mornings). At night, however, moose (and deer) pose a serious danger. Stay alert and never exceed the speed limit (60-70 km / hr is even better) and you may avoid an expensive, or possibly fatal, collision.

**Permits are required whether camping or visiting a Park facility (e.g., museums, picnic areas, beaches, the Outdoor Theatre, or summer or winter trails). If in doubt, check at any Park office. Your Park Permit must be visibly displayed on the dash of your vehicle.**

*Kilometre markers at one-kilometre intervals along Highway 60 indicate distances from the West Gate (at km 0). By referring to kilometre markers and this map, you can easily locate Park facilities.*
